

# BECAUSE / SO

Če želimo v angleščini izraziti vzrok (zakaj se je nekaj zgodilo?), lahko uporabimo veznik **because** (= ker).

Primer: His mother was angry. He was late.

- Njegova mama je bila jezna. Zamujal je.

His mother was angry **because** he was late.

- Njegova mama je bila jezna **ker** je zamujal.

Če želimo izraziti posledico (kaj je sledilo?), uporabimo veznik **so** (= zato).

Primer: He was late. His mother was angry.

He was late, **so** his mother was angry.

- Zamujal je, **zato** je bila njegova mama jezna.
