Assembly Job

Reassemble these small words into 12 new larger words. Each new word will be made up of two small ones.

Some of the word parts can be put together in more than one way, but your task is to find a solution in which *every* small word is used exactly once. Note that the small words are not always the same as the syllables of the large words.

ad	age	bet
car	con	due
far	for	kin
lei	line	nap
ore	pant	par
ram	ray	sub
sure	take	tent
thing	ton	ward

1. _____ 2. _____ 3. _____

4. _____ 5. _____ 6. _____

7. _____ 8. _____ 9. _____

10. _____ 11. _____ 12. _____

Use five of the new words in these sentences.

A. It's clear that the children all _____ their new puppy.

B. The flu has been running _____ among kids in the daycare facility.

C. There's no hurry; please return my book at your _____.

D. When Granddad lived in London as a child, he used to buy candy for a _____.

E. There were three cracked eggs in one _____.
