Hello!

Danes se boš naučil uporabljati frazo **HAVE GOT** (imam, imaš) ali **HAS GOT**(ima).

1.Za prvo osebo (jaz imam, mi imamo) in drugo osebo (ti imaš, vi imate) uporabljamo HAVE GOT ali kratko 'VE GOT.

*I **have got** a bike. – I've got a bike. We **have got** a car. – We've got a car.*

*You **have got** an apple. – You've got an apple. My parents **have got** a boat.- They've got a boat.*

2.Za tretjo osebo (on, ona) uporabljamo HAS GOT ali kratko 'S GOT.

Tina **has got** a nice family. – Tina's **got** a nice family.

Twig **has got** a ball. – Twig's **got** a ball.

3.Uporabi učbenik (Book, page 65/12) in zvezek (notebook)

V zvezek napiši naslov **HAVE or HAS** in prepisi primere s plakata, ki ga drži Twig.

Nato prepisi in reši tudi primere.

Rešitve dobiš naslednjo uro.
